

45TH ANNUAL CLUB NORTHWEST SUMMER ALL-COMERS TRACK & FIELD SERIES

MEET OF 31 JULY 2013

Weather – a little breezy, mostly cloudy, cool and mostly dry, although there were a few sprinkles and thunderstorms around the area which undoubtedly kept a few folks away..

Outstanding performance – The Stephens brothers in the Javelin and Alexis Daughtery in the 800-meters.

Total entries – 458 – *still on target for the highest series total ever!*

FIELD EVENTS

NOTE: Breaking ties. Some parents are surprised we break ties in field events, but we apply all the rules of track & field, even in the kid's events. For vertical jumps, we look at misses at the tied height first, and then total misses. For other field events, if a tie exists on the best mark, we look at the second-best mark. If an athlete doesn't have more than one legal mark, they are placed lower.

Despite the urban legend that -- as we age -- we eventually get back to baby food and diapers, Al Bonney had no business inflating his age to 117 to be allowed to enter the Kid's TurboJav.

We have a problem in the kids' events – parents are pushing kids into older age heats in order to be electronically timed. We have three solutions: (1) electronically time the 9-10 ages and DQ anyone younger who competes above their age, (2) DQ the 9-10 athletes who compete above their age, or (3) discontinue electronic timing for all kids divisions. The bottom line for us is that we are not going to let kids and parents get carried away with time at such an early age.
