We again reiterate the offer to youth and masters to convert their marks using the Age Grading Tables available from USATF Masters and providing marks worth over 1000 points to us for our summer ranking and -- for open and masters post-collegians -- our end-of-the-season prize money. We simply do not have the time to scour the results for age-graded marks.

**TOTAL ENTRIES -- 644! Possibly the biggest meet in the series' 41-year history! THANK YOU, EVERYONE!**

Our results are very sketchy from 1969 to 1992, but there were very few meets over 600 entries. Our last four meets are certainly the biggest four meets in the last 20 years! Our six-meet entry total is greater than ALL of 2005's total, our first year at Shoreline, and beats several of our years at Edmonds.

Full disclosure financials -- \$1,380 entry fees -- also a record!
